Our Faculty and Staff is made up of a wonderful group of Christian women that are a true blessing to whom they serve. We believe that the Lord has made it possible for them to share their talents and love of children with us. Each year staff members strengthen and enrich their professional growth by attending workshops, seminars and conferences on early childhood education and development.

The family seeking a warm, friendly, secure atmosphere for their child's first learning experience can feel confident in our program.

Our mission is to nurture your child's spiritual, emotional, social, physical and academic growth. We want each child to develop a high self-esteem knowing that they are very special to Jesus and to God, and that living a life in obedience to our Lord is the most important thing they will ever do in their lives.

We look forward to welcoming you to our preschool.

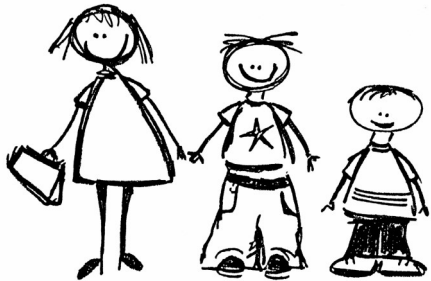

Bring them up in the training and instruction of the Lord.
